The management company for The Hill YKS Facilities Management wins the prestigious Liquid Real Estate Awards 2008 given by EUROMONEY.

Good news for all the owners and future owners of The Hill Project in Konakli. Euromoney one of most the prestigious press institutions, has elected YKS as the best property management company of Turkey in 2008, in Liquid Real Estate Awards that many important countries or local major companies have participated in from America to Europe and from Asia to Middle East. With YKS taking this award it will add an extra value to your investment knowing an awarded company is taking care of your house and surroundings at The Hill in Konakli. YKS is aiming to consolidate its position with its successful actions about property management to seek more awards the coming years.
