### The Hill wins GOLD at the Homes Overseas Award evening for being the Best Property Development in Turkey 2008.

On Friday 29 November 2008 the winners of the highly coveted Homes Overseas Awards were announced at a glittering gala dinner and Award ceremony at The Grosvenor House in London.

This evening event was attended by property agents and developers from all around the world and gave recognition to the very best residential property projects overseas. The Homes Overseas Awards are the most highly respected symbols of prestige and excellence in the overseas property sector giving the winners recognition of being the best in their sector.

A panel of property experts, made up of national and international property journalists, selected by Homes Overseas, independently judged all the entrants.

AND THE WINNER IS:
