### Luxurious yacht marina under construction

After years of planning, the development of the new yacht marina has finally started. Located between Konakli and Alanya at about 6 km from The Hill, the marina will cover an area of 4.071 square meters and will be able to accommodate approximately 280 yachts from 10 to 40 meters long.

The developing and exploiting of the marina will be done by the "Alanya Ortak Girişim Grubu" (Alanya Joint Enterprise Group), a group of local businessmen who have teamed up. Their CEO Hasan Kaçmaz has announced that the opening of the Alanya Yacht Marina is planned for June 2009.

The luxurious marina will comprise of a shopping centre, tennis courts, swimming pool, yacht club and sports complex. Extensive bathroom and laundry facilities will also be available as well as maintenance and repair facilities for the yachts.

The marina is expected to employ 60 workers directly and 300 workers indirectly. The estimated annual revenue is 4 million dollars.
